

LOOKING FOR A JOB ABROAD

DECIDE

WHERE TO GO

Make a list of all the possible countries you'd like to go to.

LEARN ABOUT THE CULTURE

Be prepared for a possible culture shock. Learn the basic gestures.

LEARN THE LANGUAGE

If you will work abroad, you need to know how to communicate with people/businessmen from the specific country.

THINK ABOUT THE COSTS

Accommodation costs, supply costs and insurance. Don't forget to always bring some extra cash in case of an emergency.

BOOK ALL

NECESSARY THINGS

You should book all the necessary tickets and reservations as soon as possible to avoid problems later on.

FAMILY SUPPORT

See if the family supports you. They can provide financial support.

START BUILDING

RELATIONSHIPS

BEFORE YOU LEAVE

It is important to have someone to talk to when you arrive at your destination, a person you already know a bit.

MAKE A

BUCKET LIST

Make a list of all the places you want to visit, the food you want to try or activities you would like to experience.
