

EMPLOYER'S QUESTIONS

&

EMPLOYEES QUESTIONS

JOB INTERVIEW

Tell me about yourself.

What do the day-to-day responsibilities of the role look like?

How do you define success?

Who will I be working most closely with?

What's your biggest strength? What's your biggest weakness?

What are the company's values? What characteristics do you look for in employees in order to represent those values?

Why are you interested in our company?

What does success look like in this position, and how do you measure it?

Where do you see yourself in [x] years?

What do you see as the most challenging aspect of this job?

Do you have any questions for me?

What's your favorite part about working at the company?
